The Heritage Behind HS

HATEM SHAABAN

FOUNDER & VISIONARY

In the fertile lands of Fayoum and along the ancient Nile Delta, a vision took root. Hatem Shaaban, drawing from generations of agricultural wisdom, founded HS Herbs with a singular mission: to share Egypt's finest botanical treasures with the world while upholding the highest standards of quality and integrity.

The name "HS" embodies our founding principles—Heritage and Standards, Honesty and Safety, Health and Sustainability. Every letter carries the weight of our commitment to delivering premium Egyptian herbs, spices, and seeds to discerning buyers across more than 30 global markets.

From the sun-drenched chamomile fields of Fayoum to the aromatic spice farms of Aswan, we source exclusively from certified Egyptian farms, ensuring complete traceability from seed to shipment. Our partnerships with local farmers preserve traditional cultivation methods while meeting rigorous international standards.

OUR PHILOSOPHY

"

We believe that nature's finest gifts deserve the finest care—from cultivation to your hands.

FOUNDER'S VISION

A Heritage of Quality, Rooted in Egyptian Soil

The Story of Hatem Shaaban

HS Herbs was founded by Hatem Shaaban with a singular vision: to bring the finest Egyptian herbs, spices, and botanicals to the global market while maintaining the highest standards of quality and authenticity. Growing up in the fertile regions of Fayoum, Hatem witnessed firsthand the extraordinary potential of Egyptian agriculture. His initials, "HS," represent more than a name. They embody a philosophy of excellence: Heritage and Standards, Honesty and Sustainability, Health and Safety—principles that guide every aspect of our operations.

We don't just export products. We share the essence of Egyptian land, cultivated with care and delivered with integrity.

— HATEM SHAABAN, FOUNDER
